

CENTRAL INTELLIGENCE AGENCY  
WASHINGTON, D. C. 20505

20 February 1976

STATINTL

I want to thank you for the most informative briefings and tour which you provided me and my staff last week. I was very pleased to have the opportunity to meet and talk with the Program Director of such a high interest program as yours. We are all looking forward to the first opportunity to make use of the program.

STATINTL

Very truly yours,

  
George Bush
